

“THE SPEED OF SALESFORCE DEVELOPMENT SHOULDN'T SLOW YOU DOWN”

DIGITAL MASS ACCELERATES YOUR SALESFORCE DEVELOPMENT AND YOUR BUSINESS

Digital Mass brings modern practices and our proprietary LeanSF methodology to the table on every project. We accelerate your business through customer-centric solutions and the change management expertise you need to drive adoption.

LEANSF

DIGITAL MASS

TOGETHER

The right team. Together in one place. Whether on-site with clients or in our Minneapolis office, our high-powered team of Minnesota-based consultants collaborate to get to better solutions faster.

USABILITY FIRST

We optimize for your internal UX, delivering a Salesforce experience that makes your employees' jobs easier and more productive.

CHANGE MANAGEMENT

We don't just deliver on-time, we bring foresight and change management expertise. Our enterprise-ready data structures encourage seamless adoption throughout your organization, enabling digital transformation at the speed of business.

LEAN SF

Our proprietary LeanSF delivery method leverages the benefits of traditional Agile delivery without all the fluff, enabling us to deliver early and often.

DELIVER SALESFORCE AT THE SPEED OF YOUR BUSINESS.

Talk to Liam at Digital Mass to learn more about how Minnesota's premier Salesforce development partner will bring you the horsepower you need, when you need it.
